

Metal Fabricator-Welder

Job Description

If you would like to work with a team of artists, engineers, tinkerers and thinker-ers, on one-of-a-kind projects in a creative environment, we may be the company for you.

We are currently seeking an experienced freelance metal fabricator-welder for freelance work in our metal fabrication shop.

Dillon Works is a premier custom design and fabrication company located in Mukilteo, about 30 minutes north of Seattle. We specialize in the design and fabrication of the more adventurous of architectural and themed environments and elements.

To qualify you must be an experienced mild steel and aluminum fabricator-welder and be adept at reading blueprints and following instructions. WABO certified preferred.

Please send your resume to one of the following:
