

Mold and Tooling Maker/Sculptor

Job Description

We are currently seeking experienced mold-maker/sculptor for our mold and sculpture fabrication shop. You must have had experience with and be capable of working with a wide variety of casting and mold-making materials, and reading plans and following instructions. Requirements for this position will include;

The ability to weigh, mix and pour urethanes and epoxies.
The ability to set up clay/hardboard dividing walls for molds.
Experience making case molds.
Experience laying up fiberglass.
Experience using vacuum chamber/pressure pots.
Experience with vacuum forming.

Must be physically able to lift moderately heavy loads.
